

**VIDEO TRANSCRIPT****Public Sector Purpose to benefit all South Australians**

The South Australian Public Sector, working together in one direction #makingadifference

We are stronger, when we work together

We are more agile, when we innovate

We lead the way, by leveraging our world-class expertise

We think out-of-the-box, by reshaping the rules of the game

We challenge the status quo, to find new and better ways to work

We build a future proof and robust economy, to make South Australia stronger

We have a significant impact, when we partner with industries

We are driven to protect, the health and wellbeing of our people

We are more compassionate and dedicated, for vulnerable South Australians

We are brave and fearless, when it comes to the safety of our state

We use innovation, to set world-leading standards

We pave the way for future generations, with world-class education

When we work together, we make a difference, to make South Australia thrive,

Our purpose is:

Making a difference so South Australia thrives
