- (1) Includes all employees appointed to a position within an individual public sector organisation during 2008-2009 financial year, regardless of whether they were still employees of the organisation in the last pay period of June 2009. Excludes employees who have returned from extended leave without pay, or who were already employees of the organisation (i.e. either have won the position in the same agency in which they are already working, or have returned from contract employment in another agency).
- (2) This table DOES NOT specify employees recruited new to the SA Public Sector, only the number of employees who started in a public sector organisation during the 2008-2009 financial year and consequently may have originated from another SA Public Sector position.
- (3) Includes Ambulance Service Officers and Fire Fighters.
- (4) Includes all executives in the South Australian Public Sector.
- (5) Includes PSM Act employees located in other public organisations.
