(1) These figures are likely to under represent the true level of Aboriginal and/or Torres Strait Islander employment due to the difficulties some agencies experience with extracting characteristics of their workforce to this level of detail from their information systems, and the difficulties associated with collecting data which relies on self identification.

(2) Includes all executives employed in other public sector organisations.

(3) Includes Ambulance Service Officers and Fire Fighters.

(4) Includes PS Act trainees.

(5) New stream started on the 14th January 2010
