* Only the other public sector organisations with 50.00 FTEs or greater have been listed individually.

(1) Includes 'Other', Education Act and PS Act employee types.

(2) The number and type of functions managed determines the amount of casual work available in each pay period. The figure provided is only representative of this organisation's workforce as at June 2010 and should not be considered an accurate reflection of the overall workforce for the 2009-2010 period.

(3) Excludes persons employed under Special Acts and the Judicial Administration Act. These employees, including five statutory appointments, are reported separately from 1999 under 'Judiciary'.

(4) Includes all persons employed under the Personal Assistants to the Members of the Parliament Enterprise Agreement.

(5) These figures represent the total workforce of the Health Units (SA Health Regions) incorporated under the SA Health Care Act, which took effect on 1 July 2008. Excludes selected employees associated with ICT and Procurement services transferred to the Department of Health in July 2009. For June 2010, the SA Health regions supplied provisional data only, which may be incomplete or contain errors for which no adjustments have yet been made.

(6) Does not include persons employed under Special Acts and the Judicial Administration Act who work in the Industrial Court System. Although Judicial Officers are not public sector employees, they are included in this report because they receive remuneration from the State of South Australia according to decisions made by the Remuneration Tribunal.

(7) This organisation trades as SA Water.
