DISABILITY EMPLOYMENT OPPORTUNITY PROGRAMS

The Public Sector Act 2009, Section 65, enables an employment opportunity program to be declared to assist persons of a defined class to gain employment, training or experience in the public sector. Under this provision, an Employment Opportunity Program/Disability Employment Program was gazetted (Notice, 12/2017) which outlines that:

• Candidates registered with a DES provider can apply for all government internal vacancies, even if they are not currently employed in the public sector.
• The age criteria for public sector traineeships has been expanded from 17-30 years to 17-35 years for people who have a declared disability.
